Software

Most iomega® hard drives come with Touch-Free™ Backup and Disaster Recovery software to effortlessly back up your files on a scheduled or continuous basis. Other value-added software may be included and varies by product.

iomega Automatic Backup Pro Software— Professional-level backup and disaster recovery for all your critical data. Just “set it and forget it”. The software will effortlessly back up your files on a scheduled or continuous basis and with its user-friendly design, it is the perfect solution for small businesses and home users. You’ll be up and running quickly without IT resources or unnecessary expenditures to train employees in complicated backup and restore procedures.

Dantz Retrospect Express (Mac®) – Supports complete system or incremental backups and can quickly restore an entire system, files from a specific point in time, or specific files from multiple backups.

Capacity Comparison

iomega offers a full suite of hard drive products to store and back up your photos, music, video, and data files. Choose a hard drive family to meet your specific capacity needs:

Micro Mini Hard Drives (1")— For capacities up to 8GB.

For example: use an 8GB capacity drive to save up to 32,000 photos, 148 hours of music, and 4 hours of video.*

Mini Hard Drives (1.8")— For capacities up to 60GB.

For example: use a 60GB capacity drive to save up to 240,000 photos, 1,110 hours of music, and 90 hours of video.*

Portable Hard Drives (2.5")— For capacities up to 120GB.

For example: use a 120GB capacity drive to save up to 480,000 photos, 2,220 hours of music, and 180 hours of video.*

Desktop Hard Drives (3.5")— For capacities up to 1TB.

For example: use a 1TB capacity drive to save up to 4,000,000 photos, 18,500 hours of music, and 1,500 hours of video.*

*1.1 min/MB – 128Kbps MP3 audio; 4 photos/MB-highly compressed 3-megapixel JPG photos; 11MB/min DVD MPEG-2 (720x480)

Why iomega?

iomega has become synonymous with innovation, reliability, and simplicity. And with good reason. iomega has over 500 patents issued worldwide and 100 patents pending which is a sign that our long history of innovation is still going strong. But iomega has always meant more than just technology. iomega makes every effort to make technology simple and accessible. These hard drives are no exception. That’s why over 55 million users have chosen iomega drives. And why you should, too.

WITH IOMEGA YOU NEVER HAVE TO CHOOSE WHAT TO SAVE, JUST WHERE TO SAVE IT.
